THE NEXT GIRL NEXT DOOR

We, being professional purveyors of poon, have labeled up a sumptuous feast for you to sink your chops into. But we also retain the rights to call the shots. The conditions are simple, even for the most etiquette challenged. Forget what your mother taught you about table manners and finish what's on your plate. We want you to start with dessert first. Feast well while you're at it.

I'm a ready and willing lover. All of my experiences in the sack have been good ones. Didn't matter if they were guys or girls, the sex has always been great. I've even brought some sexy ladies into my boyfriend's bed, much to his surprise – and our pleasure.

she moved me

Fortunately, I did not marry Jill. I don;t know how long we could be happy. Moving out from her place was the best thing I did. No, come to think of it, her ex-roomie was the best thing I ever did.

When Jill and I broke up, it was very sad for everyone involved. We had been going out for nearly two years and many people thought we would eventually marry. However, I was a starving artist and as time went on, Jill decided that my lack of money and bohemian lifestyle would doom our future together. She finally broke the news to me one summer evening. It was quite a hard breakup, since Jill and I were still very much in love.

There were also logistical problems. We had been living together for a whole year and all my stuff was at her place. When I went to get some of it, there was a terrible scene. Jill started crying and I nearly did too. Later in the week she called and said she was sending the rest of my stuff over with her ex-roommate Maureen, who had a pick-up so I could fit all of my stuff in her truck. I had known Maureen for years – in fact, for as long as I had know Jill. I always liked her, so Jill's plan was fine with me. Maureen even looked a lot like Jill, with straight brown hair, green eyes, a tiny waist, tight ass, and slim hips matched with full, bouncy breasts.

Maureen arrived late that night – at about ten o'clock. We loaded my staff into her pickup and when it was all over, I invited Maureen in for soda. It seemed like the least I could do. In my kitchen, she told me that I looked lonely and how terrible this must be for me. I didn't want to talk about it too much, though; I was afraid I might start crying! All of a sudden, Maureen came over to me and wrapped her arms around my waist.

The fact is, I have always liked Maureen, but had never taken her seriously as a woman before. When I first met her in college as Jill's roomie, she was a skinny 19 year old, in the awkwardness of her freshman year. Now, as I hugged her, I realized that she had grown into a perfectly proportioned woman. Her warm soft boobs nestled against my chest and her flat stomach fit snugly against mine. The perfumed smell of her hair enveloped me. We hugged for some time. I kept waiting on her to break it off but she did. Instead, she sighed and told me how long she had been waiting to hold me.

Then, she reached down and ran her hands over

my ass. I did the same to her, sliding my hands over her perfectly round backside, enjoying the way she gripped me tighter as I teased one finger down her crack. Maureen moaned as I slipped my hand up and began to fondle her firm breasts through her shirt. They were happy for feel my hands. Soon, her nipples stiffened and I wondered if they ached to be sucked and licked.

I led her to the couch. As I sat down, she straddled me and I unbuttoned her blouse and unfastened her bra. Her breasts sprung loose in all their glory. I began to suck, kiss and lick them. She held them for me as I played with them, her long brown hair spilling over her chest. It was too much. My cock was straining in my pants and I could feel the wet spot forming as pre-cum began oozing out through my underwear.

Maureen eagerly kneeled down on the floor in front of me. She undid my belt and unfastened the buttons of my jeans. When she pulled my pants down, my eight-inch rod sprung up, right into her face. Her eyes opened wide at the sight of it. As she gasped, surprised at its size and thickness, I asked her to please take my horny cock in her mouth. Maureen hesitated, saying that her sister could never find out about this. I promised her that Jill would never know. Reassured, she took the head of my cock in her mouth and made one tentative bob. I moaned deeply. She gripped the shaft of my throbbing cock firmly and took another mouthful and then another one, each slightly deeper than the last. Soon, she was sucking me off like a pro, with long, deep sweet strokes.

Watching her smooth young face with my hefty dick deep in her mouth was too much. My balls let loose a throbbing load of jizz. I came right in her mouth and she lapped it up, milking out every drop with gentle squeezes. Maureen let my cum dribble out of her mouth and down my shaft, eagerly licking it back up as if it were ice cream and then smiled at me with my splooge dripping from her chin. For a moment after I came, all I could think was that Jill never swallowed.

Looking down at Maureen, I was eager to return the favor so I switched places with her so that she was sitting on the couch and I was down on all fours on the floor. Now it was my turn to undo her belt and slipped off her jeans. I could smell her wet pussy as I pulled her jeans off and tossed them away. Her snow white panties beckoned to be pulled off, and I slipped my head between her legs. I buried my face in the soft hairs of her crotch, letting my tongue explore the wetness of her kitty. For a moment, I looked up at her gorgeous face. Her eyes were closed with eager anticipation. Then, I spread her pussy lips with my fingers and took a long, deep lick from the bottom to the top of her delicious gash. She shattered with pleasure as I diddled around her clit. I whispered to it, nibbled on her labia, and gave it

she moved me

a sloppy slathery lick over her hard clit. Maureen was enjoying herself as well, moaning encouragement as she held her ankles in the air and spread her pussy lips with her fingers. She had her pussy so well opened for me that I feasted on it as is it was a rare delicacy! I slipped my tongue down little further and she cried out in ecstasy as I touched the tip of my tongue to the rim of her delicate little ass hole.

By the time my dick was hard again; in fact it seemed harder than it had ever been before, I got up off the floor and positioned my engorged rod at the opening of her tight hole. It was a tight fit and first I pushed it in only an inch or two. Then I withdrew it slightly. Then I moved slightly forward again. The pleasure was exquisite and for several minutes I continued this teasing motion as my pleasure pole dipped in and out of her budding flower hole. It was the most perfect fit and for several minutes I eased it in and out

with ecstatic slowness. Maureen began to moan that she wanted me to fuck her all the way, to give her the entire length of my cock.

I did. I let her have it.

I filled her pussy deeper than it had ever been. Maureen's back arched as she took a short, soundless breath. Then... she climaxed. I could feel her pussy walls quiver and clutch my driving dick as I continue to fuck her, increasing my pace and power. The intense sensation of her tight, smooth love box was more than I could take. It was impossible to hold back any longer. Soon I was coming again, shooting another deep load of hot balls' milk. I filled Maureen's wet little pussy with my jizz until a mixture of my cum and her juices ran down from her kitty to her ass hole. It glistened on her smooth thighs and soaked through the bedsheets.

Since it was almost one in the morning and Maureen was due back at her place, and I was still horny, I asked her for a quick blow job. She asked if I was hard again already and I said I was. That brought a little smirk to her face and she told me to go wash off quickly and she'd do it. I did and rushed back to the living room hoping she hadn't left. She was there and gave he a great hummer. I came again and promised her I'd reciprocate the pleasure. She agreed as she wiped her mouth. As it turned out, this was only the beginning. Maureen and I have been going out ever since that night. Going out with her is a lot like going out with Jill, except better, and Maureen has turned out to be a whole lot wilder in the sack that her roomie. And she likes my bohemian style.

can you make me cum?

Angel

I'm a woman of few words but a lot of action. I'm what you might call a fuck-a-holic. I just love to fuck and do it almost every day. I like to keep a couple guys on booty call to service me whenever I get horny, which is pretty much all the time.

GIRL NEXT DOOR

RILEY

When my photographer called me to say I was selected to be in this Girl Next Door section for this issue, I was pretty excited. I hope you like the photos. I must say I had a great time during the shoot and I know my expressions show it. I didn't fake any of them, even though I was asked to for the shot. That's especially true when I got that big cock shoved into my wet pussy. It stretched my mouth, so I know it stretched my pussy, too.

SELENA

Yes, I'm a polite fuck. I like to say 'please' and 'thank you,' because I want to please you and thank you for making me cum six times. I'll politely take your cock and put it in my ass thankfully. And if not, I'll say 'fuck you' and you can please leave.

KALI

I just turned twenty and moved out to California from Minnesota. I only knew two people, but within a month I met a whole lot more. One of them was a photographer who told me I had the perfect girl-next-door look. She took some pictures of me and within a month I had done several shoots and videos. My schedule has been pretty full since then. I love California!

BLAIR-NTS-09

midnight rendezvous for two

I became sexually active when I was 19 and now that I'm 25 I hear that I still look like a teenager. I'm pretty petite, only about 5' 2", and very slender, with nice breasts and a firm bottom (thanks to a job where I'm on my feet most of the time). I wear my shoulder-length blonde hair in a ponytail most of the time; rarely wear makeup except if I'm going out on a date, and usually wear what college kids wear.

That's because this foreign exchange student that lives with my brother and me, Lawrence, has begun bringing his friends home lately, and it's not unusual for me to walk into a house full of young collegians. Most of them have known me for a while now, but every once in a while a young man will hit on me as I walk in the door. Lawrence usually comes to my rescue, yelling out when this happens, and the result is a very embarrassed young man. I always tell them not to let it bother them, that I find it flattering. And I do. In fact, sometimes his friends are quite handsome and muscular.

A few weeks ago, I was making dinner on a Saturday afternoon when there was a knock at the kitchen door. I answered the door and found an extremely handsome dark haired guy standing behind it. He was about six feet tall, quite muscularly built, and had piercing dark eyes and strong masculine features; in short, he was very handsome. The kind of guy girls drool over and guys wish they were him.

"Is this the Irwin house?" he asked tentatively. "Yes, it is, may I help you?" I asked, figuring he was probably a friend of Lawrence's, but I wasn't too sure.

"Hi, is Lawrence home?" he asked.

I look him up and down and suddenly realize I'm blushing, "Please, I'm sorry. Come on in." I said.

I took the young man's hand and led him into the kitchen. "What's your name, cupcake?"

"Oh, me? I'm Mason," he said.

"Lawrence! Mason is here!" I called down the hall of our house.

"He'll be with you in a second, Mason. I'm just cooking dinner. Have you eaten yet?" He grunted something that sounded like yes, so I continued on with my preparations.

As I cooked, I could feel Mason's eyes on me. I was wearing a T-shirt, jeans and sandals, not particularly alluring, but he seemed to be quite taken with me. I tried to engage him in some small talk, and got the usual one-word answers one normally gets from a new guy. I decided not to press the issue any further.

Lawrence bounded into the room. "Hey, Mason, 'sup?" he slurred.

"'Sup, Lawrence." he said.

"I gotta eat first. Dinner ready yet?" Lawrence asked.

"All set." I said and put the plates on the table. "Mason, are you sure you don't want something to eat?"

"That's okay, Mrs. Irwin. Can I use your bathroom?, It was a long drive and I'd like to clean up." he said.

I took the young man's hand and led him into the kitchen. "What's your name, cupcake?"

BLAIR-NTS-07

"It's Sheila, and it's right down the hall." Mason disappeared down the hall and I heard the door close.

"He seems really nice, Lawrence, but a little quiet..." I said.

We were into our meal by the time Mason came out of the bathroom. He sat down next to Lawrence and just looked at me, then looked down at the table and rocked back and forth. Lawrence gulped his milk down, then said, "We're gone. Come on Mason."

I warned him, "Remember, Lawrence, please get yourself home at a reasonable hour. We have stuff to do tomorrow.

"It was nice meeting you, Mason," I said to the quiet boy, and he looked at me, smiled and nodded, then turned and walked out out of the house with Lawrence.

Something told me to check the bathroom; I was concerned that Mason might be on drugs or something because he took a while. I walked in and turned on the light, and searched all over for signs of any paraphernalia. None. I opened the clothes hamper just on a guess and looked in, and noticed that the black silk French cut bikini panties that I had worn on Monday were lying on top of the dirty clothes.

That's odd, I said, and picked them up. The slightly bleachy smell gave me what I was looking for; pulling the waistband open, I found a huge load of sticky semen, fresh out of Mason's cock. He had been jerking off into my panties while Lawrence and I were eating. I felt hot as I thought of him in the bathroom, dreaming of me, rubbing his cock with my panties, and suddenly I found myself totally turned on by it. It was a feeling that I hadn't felt in a long time, the feeling of being wanted, desired, needed.

Lawrence and I were sitting at breakfast a couple days later, "Mason and I were thinking about going to the concert next week at the Auditorium." he announced.

"Sure, it sounds like a whole lotta fun," I answered, "maybe I'll go with you guys."

He looked at me and grimced. "Oh, for heaven's sake, I was just kidding. Go and enjoy." I said.

A few days go by and the guys go to the concert. They came back about midnight, and were chatting away as they sat at the kitchen table. I came in about fifteen minutes later dressed as though I had come home from a date, wearing a silk blouse, short skirt, black stockings and high heels, perfume, makeup and earrings. Mason had told me that he thought I looked really nice several hours before as they were leaving for the concert. He had had a few hours to think about me now, and I was interested to see what he would do.

I sat and talked with them for a few minutes asking how the concert was, and they asking how my "date" went. We all went to bed at about one. I went to my room and put on a sheer nightgown with tiny matching panties and laid down. My room had a door into the bathroom, so I would know when anyone went in. At about 1:30, I heard my son snoring, and heard footsteps coming down the hall. I could hear the bathroom door close and the light flick on. I went to the door and looked through the keyhole.

I saw Mason bent over and looking through the clothes hamper. I had left a particularly sexy pair of panties in there for him, and he found them with very little effort. He lay them on the sink, then stood up and dropped his boxers. My mouth went dry as I saw his erect cock. He was better hung than most of the men I had been out with in my life.

I saw Mason bent over and looking through the clothes hamper. I had left a particularly sexy pair of panties in there for him, and he found them with very little effort.

I would have to have it, I thought, and turned the knob and walked in, smiling my sexiest smile for him. His eyes flew open and my panties dropped to the floor. He started to say something, but I shushed him and knelt on the floor in front of him. I looked him right in the eyes as I licked my lips, then gripped his cock at the base and licked it from bottom to top. A bit of precum was already oozing from the tip; I tongued it off and smiled, then stood, taking his hands as I did, and pulled him into the bedroom.

"Mason, I have two rules," I whispered. "The first one is that Lawrence is NEVER to find out about this. NO talking about it or telling your friends about it, NOTHING! That's the second, and this is our secret. Understand?"

"Yes, Sheila," he said, no doubt a little embarrassed and shy. "What's the second rule?"

I smiled at him in the half-darkness and wrapped my arms around his neck. I pressed my open mouth against his and sucked his tongue into my mouth. He kissed pretty well for a shy boy, and as I ran my fingers through his hair he reached up and began to caress my breasts gently. I ran my fingers over his muscular body; he was quite a specimen and I told him so.

"I lift weights," he said, somewhat proudly.

"Do you lift weights with your cock, sweetheart?" I asked him devilishly, and wrapped my hand around it, stroking it up and down.

He started to laugh, but I quieted him. He pushed me back on the bed, lying on top of me.

"I wanna fuck you," he growled, and I could feel his big cock pressed up against my pussy mound through my panties. He would be halfway into me if I weren't wearing them, as hard as he was and as wet as I was.

I reached down with both hands, pulling the crotch of my panties aside with one hand and catching hold of his cock with the other.

"Then, fuck me, Mason," I said as I guided him into me. He slid into me

with one long push, then two, then three. "Slow down, honey! I want this to last."

Mason began to pump me slowly and was really grinding deep. I never felt so totally filled up as I did with this cock, and it was bringing me close to the brink already. Then he pulled oit and rolled me over to my stomach and then pulled my hips. I backed up and felt him push his cock back in. I leaned down to me elbows and grabbed a pillow and bit it as an incredible orgasm ripped through me. With a few poweful thrusts, he pushed my hips down to the bed and I noticed him bury his face into the pillow beside me, and jerk and grunt as his cum poured into me.

We both laid on our backs in the dark, kissing, for a good ten minutes. He reached over and grabbed my hand and put it on his cock. It was still hard as a rock.

"Mason, honey, you'd better get back to bed." I cooed, expecting, no hoping, he would stay a little longer.

"Not yet, I want you to suck me," he said, and slipped out of me.

He straddled me with his cock right in my face. I opened my mouth and took it in. Mason put his hand behind my head and guided me back and forth as I sucked him. Five minutes later, he sprayed the back of my throat with his cum.

Mason had left before I got up the next morning, but I was sure to see him again.

Mason put his hand behind my head and guided me back and forth as I sucked him. Five minutes later, he sprayed the back of my throat with his cum.

and she fucks him anyway

Madison

I've always been quite sexual. When I started by feeling comfortable naked, I'd walk around my apartment naked, I'd sleep naked, I'd swim naked. The more I got naked the more comfortable I felt. So when it came to being naked on camera, I was okay with it. But screwing someone in front of others, that took time!

Jessie & Khloe

We like girls who can hold a real conversation. Not just one where they talk about sex every five minutes. How do you make a good first impression on another girl? Ask questions about her life, seem interested, listen. If she giggles and plays with her hair – you're in!.
